

St. Mary's Primary School see learning as an adventure and a journey of endless possibilities, where students are energised to seek meaning and explore questions about the world around them.

In partnership with our parents, parish and broader community we contribute to a life-foundation for students that is centred in Jesus Christ and grounded in truth, beauty and love.

At the very heart of our school is a desire for each student to excel, across spiritual, physical, cognitive, emotional and social domains.

As a learning community we tap into children's natural curiosity and motivation to learn and create opportunity for deep and rich learning experiences through a process of purposeful, project based and open ended experiences where the children learn through the process of problem solving, creating and collaboration.

We support students to grow in virtue and to embrace a view of themselves and the world that leads to peace, justice, and the prospering of the whole of creation.

We are a community of learners who:

- honour the sacred dignity of each person.
- embrace difference and diversity.
- build a culture of learning together.
- honour equitable access and opportunity for all.
- search for truth.
- engage with the deep questions of life.
- commit to achieving the best in ourselves.
- make a difference in the world.

We strive to work together, fostering respect for all and developing the whole child in a challenging, positive and caring environment.

As learners we:

- wonder
- persevere
- believe
- create

Acting with:

- respect
- responsibility
- resilience.

Our School Vision

We are an empowered and sustainable learning community, centred in faith and united in our respect and responsibility for all of creation; we strive for excellence; actively living, learning, caring and growing together.

Our School Mission

- We gather in a faithful, supportive and inclusive community to build partnerships and a sense of belonging.
- We listen to God, others and ourselves to develop positive relationships.
- We share responsibility for our learning and guiding the learning of others.
- We act with faith, kindness and resilience working collaboratively and as empowered people to make a positive difference in our world.

A Vision Statement encapsulates what we aspire to be as a Catholic school and inspires and unifies our commitment as a Catholic school community. The Mission Statement gives expression to the Vision and articulates the school's specific purposes and commitment.
